## Welcome to District Assembly!

Today the Southern California District is assembling for the 115th time in its 117 years. We are so glad that you are here! We have gathered to worship and witness what God is doing in this district. It is an opportunity to declare our faith in God in front of witnesses and minister and encourage other partners in the faith. American Clergyman Edward Everett Hale said, “COMING TOGETHER is the *beginning*. KEEPING TOGETHER is *progress*. WORKING TOGETHER is *success*.” Our continued prayer is that God will enhance our gathering into an expression of unity focused on God’s mission and vision for our community and the work of evangelism and discipleship. But it is more than receiving quality direction. We choose to work together while enabled by the power of the Holy Spirit. And in due time, witness a significant resurgence in our district!

**Appreciation.** A cohort of trustworthy and supportive district leaders surrounds me. They exhibit openness, humility, trust, and honesty to God, others, and themselves. The District Advisory Board and Auxiliary Leaders, without apology, consider calculated risk and confidently take the next step. I applaud them for their desire to regenerate leaders and churches. The DAB lay members are Terry Mowers, Barry Jones, Joy Straub, Janet Parks, and Diana Rodriguez. The ministerial members are Pastors Becky Pape, Jose Murrillo, Michael Falgout, and Steve Rodeheaver. The Auxiliary Presidents are Joy Straub (NDI), Jen Williams (NMI), and Rod Amstutz (NYI). Thank you to our District Treasurer, Dr. David Frisbie, and our District Secretary and District Ministries Board Secretary, Pastor Steve Rodeheaver—

Also, I am indebted to various District Ministry Board Members, councils, Camp directors, and committees who have given their time and resources in service. You have an exceptional staff in the district office. Thank you to Rev. Wink Davis, as Assistant to the District Superintendent and Sasha Ramirez, the communication and marketing coordinator. They demonstrate a passion for their work and ministry. A great team! And then there is Debbie Taylor, my wife who finds great pleasure in working with you all and especially when periodically connecting with ministers’ spouses in each zone. These and all of you are a great blessing to the district and me! May God reign down His glory on your lives!

**Dr. Thomas W. Taylor, Jr.**

## **Plan of Examination**

### **Instruction to students**

#### *Eligibility*

The District Ministerial Board (DMB) serves only students who are properly enrolled in the Course of Study. Enrollment is open to local ministers; local lay ministers (Manual 408.1, Sourcebook for Ministerial Development [SMD]); and deacons who qualify according to Manual 402.

#### *Courses*

The DMB oversees the preparation of both elder and deacon candidates as well as lay ministry certificates. Ministers will not be ordained without having completed their respective courses. The COS records (educational records) are to be kept on the district where the licensed minister is actively serving (438.6). Once a candidate graduates, the ordaining district will hold and preserve the COS records in their archives.

#### *Modes of Study*

The recommended mode of preparation for full-time Christian service is by attending a Nazarene liberal arts college or university and, if possible, the Nazarene Theological Seminary in Kansas City, Missouri. Other approved modes are the Nazarene Bible College Online, District Training Centers in Alliance with Nazarene Bible College, Northwest Nazarene University Online Directed Studies Program, and the Modular Course of Studies provided by the general church. The modular course of studies is under the immediate supervision of the DMB and requires written approval from the district superintendent.

The Southern California District mandates that several of the required classes be taken through Southern California District provided classes. These classes include Exploring Nazarene Church History and Polity, Exploring Christian Ministry, Becoming A Holy People, Exploring John Wesley’s Theology, and Investigating Christian Theology I and II. To register for these classes, see the District website. Students enrolled at a Nazarene University can use their equivalent college courses to fulfill this requirement.

If a student applies for directed studies, it is preferred that the student will take advantage of the Modular Course of Studies offered online by Nazarene Bible College’s Ministry Preparation Program or Northwest Nazarene University’s Online Course of Study. In certain circumstances, and with written

approval by the district superintendent, a student may do directed studies under the tutelage of an approved mentor.

Except for level one (local ministers), ministerial preparation programs are subject to written permission of the DMB.

The courses required of the college/university students are listed in Manual 424.3. The competency statements for ministerial education are listed in Manual 424.3 and the SMD 437.33. All college/university/district programs must meet these competency statements.

The course listing for the Directed Studies Program is found in the SMD 439.37. But note: One must go online to [www.usacandaregion.org/clergy-education](http://www.usacandaregion.org/clergy-education) for the most up-to-date information.

## **Regulations for the Directed Studies Program**

1. Each candidate is instructed to download a Sourcebook for Ministerial Development (SMD), in order to become familiar with the details of the entire program.
2. Directed study courses have all been re-written and are now available online from Clergy Development via [www.usacandaregion.org/clergy-education](http://www.usacandaregion.org/clergy-education). Please note that all students using the self-study modules require: (1) written approval by the district superintendent approving the use of the self-study plan, and (2) that a mentor meet with the student regularly as the student works their way through the course.
3. Candidates should plan to meet the District Ministerial Board each year before district assembly. Dates for these meetings will be given in advance to the local churches.

## **College Students**

All college students should contact the chair or dean of the religion department at the Nazarene College or University they are attending for guidance in meeting Manual requirements for the ministry.

## **Where to Go**

For information and application forms, contact the Studies Secretary of the District Ministerial Board: Wink Davis, (951-674-4481), [revwinkdavis@gmail.com](mailto:revwinkdavis@gmail.com)

## **Continuing Education Credits (CEUS)**

The Church of the Nazarene expects all ministers to be involved in life-long learning as a part of ministry responsibilities.

**424.6.** Once a minister has fulfilled the expectations of the educational foundations for ministry he or she will continue a pattern of lifelong learning to enhance the ministry to which God has called him or her. A minimum expectation is 20 contact hours each year (2 accredited continuing education units [CEU's]) or the equivalent determined by the region/language group and stated in their Sourcebook for Ministerial Development. All assigned ordained ministers shall report on their progress in a program of lifelong learning as part of their report to the district assembly. An up-to-date report on his or her lifelong learning program will be used in the pastoral review process and in the process of calling a pastor. The Sourcebook for Ministerial Development for the region/language group will contain the details of the accrediting and reporting process. At least 20 contact hours or its equivalent is recommended annually (115, 121, 413.25, 433.15).

The District DMB will work closely with the district superintendent and Point Loma Nazarene University in promoting and providing for continuing education credit courses (438.36) for ordained elders and deacons.

Respectfully submitted,  
Oliver "Wink" Davis, Secretary

## **Nazarene Discipleship International Report 2023**

Nazarene Discipleship International (NDI) underwent a name change from SDMI this past year, but the mission is the same – to carry out the Great Commission to children, youth, and adults. The NDI team is here to support local congregations in these ministries. There are five core principles essential to this work:

1. Fervent Prayer
2. Compassionate Outreach
3. Comprehensive Biblical Learning
4. Intentional Mentoring and Equipping
5. Authentic Relationships

These will be the focus of our trainings and events over the next few years.

We jumped into this work on February 25 by hosting a Fresh Connections (formerly Fresh Start) event for the first time since COVID, with the theme of Equipping the Team. There were 150 in attendance, despite the strong winter weather. Walt Bennett from Organic Outreach challenged us to reach out to those around us in natural, yet strategic ways. There were sessions full of resources for leaders of children, youth, and adult ministries. A big thank you to Emily Holland, Jennifer Williams, Rod Amstutz,

and Michael Falgout for spear-heading sessions. Diego Forero led this work for our Hispanic congregations. The best surprise of the day was a blanket of snow on the lawn at the Bridge in Bloomington – this was just a symbol of the blanket of the Holy Spirit that rested on us that day. If your congregation missed out, please plan to *join us February 10, 2024* for a great time of equipping the body for discipleship. Information will soon be out for this.

### Some highlights from the NDI leaders:

We are so fortunate to have Emily Holland step in to lead the children's ministries for our district. She is full of energy and experience. Over the past year in Children's Bible quizzing we have had 3 churches with a total of 25 kids with participating. The children have been working hard studying the books of 1/2 Samuel. The SoCal District we will be sending 13 kids to World Quiz in Indianapolis in June! We look forward to this coming year as we will be studying the book of Matthew and hope more churches will be able to be involved!

Women's Conference 2023 was an incredibly blessed time together! Big thank you to Debbie Taylor and her committee for the excellent work done that weekend! 200+ ladies from all over our SoCal District and beyond, representing many different nationalities and age groups, met at Liberty Station Conference Center in San Diego to worship, pray, and train to be more Christ-like. Powerful workshops, testimonies, and fellowship were the main attraction of the weekend, as well as a lot of food and fun! The theme was "Treasures in Clay Jars" with anointed teaching from 1 Cor. 4:7 by Dr. Samantha Chambo, wife of General Superintendent Filimao Chambo. We were reminded that we are fragile and tend to break. But by "embracing our clayness", God's glory, the Great Treasure, will be seen. Save the date for **Women's Conference 2024**: Friday and Saturday only, March 1-2, 2024. The theme will be "Women of Grace – On the Journey Together", John 1:16. Information is available now at the Women's Conference table and on our website.

We are thankful to Michael Falgout for his leadership of district camps this past year. For the week of July 11-15, 2022, the SoCal District hosted Childrens' Camp at Idyllwild Pines. The theme was This Rock! (Joshua 24:27), celebrating our Bible Quizzers who

have studied the books of Joshua, Judges, and Ruth this year, and also the biblical story of Joshua, who, like Jesus, led Israel through the wilderness into the promised land by faith. Our camp speakers were Pastor Dennis Bentley and our missionary-in-residence, Pastor Carol Skinner. We had a wonderful time with campers from all over the district thanks to an amazing group of volunteers from our Hemet, Murrieta Gateway, San Diego Mid-City, Mission, and Southeast churches. Many campers responded to our speakers and the Spirit's invitation to accept Jesus or renew their faith. All moneys received for

Childrens' Camp last year totaled \$16,850, and all expenses totaled \$18,379, leaving us with a small, unexpected shortcoming of \$1,529. Thank you for your prayers for this vital ministry! **Registration is open for Kids Camp 2023** at the District website: <https://socalnaz.regfox.com/2023-kids-summer-camp>. Inquiries about Kid's Camp 2023 can be directed to Pastor Emily Holland at Murrieta Gateway Church of the Nazarene. Email: [eholland@gatewaynaz.org](mailto:eholland@gatewaynaz.org)

The Theme for the SoCal Naz Men's Retreat 2022 was ALL IN - Colossians 3:17 with guest speaker Dr. Scott Rainey - Global Director, NDI. We had 28 first time attendees, 36 Saturday-only attendees, 74 all-weekend attendees for a total number of 110 men representing 17 churches. These numbers include our So Cal Naz Spanish churches, as well. We were blessed to have Brian Graley and a few other men from Hesperia Naz lead us in amazing worship and 4x blessed to have Dr. Scott Rainey speak to us at all 4 sessions throughout the weekend.

We look forward to how God will move and increase our attendance at our next Men's Retreat, **MAN CAMP - BECAUSE MEN DONT RETREAT - Galatians 6:9 / James 1:12, September 22-24 at Idyllwild Pines**. Bruce Ashton [bruceashton@thebridgechurchnaz.org](mailto:bruceashton@thebridgechurchnaz.org) and Trevor Matus are spearheading Men's Camp this year.

In His service,

Joy Straub  
Southern California District, NDI President

# Nazarene Youth International Report 2023

Greetings to My Southern California Nazarene Family,

I bring you this report, my fourth report, as I continue to serve as your Southern California District NYI President. I am encouraged by the fact that we continue to grow and mature as the Southern California District NYI. None of this would have been possible without the help and assistance of my amazing NYI Council. A special thank you to all those youth pastors and volunteers who have served over the past years of my leadership. Thank you for your commitment and dedication to what it is we are trying to create and develop.

As an NYI Council, we continue to plan and organize events for the teens of Southern California that we keep them connected to the denomination outside of their local church: Camps, Elevate, Throwdowns (fun and games and worship), Prayer Walks, and other assorted events and activities. Additionally, we have started the process of connecting with the Anaheim District to create a dual-district summer camp.

The Summer of 2022 was our first one, and it was extremely successful. We will be repeating that model here in just a few short weeks at Idyllwild Pines. If you haven't signed your kids up yet, there is still time. The dates are July 17-21, and the deadline to register is June 15th. You can go to the Southern California Nazarene website to register. Cost is \$325 per person. \*(Commercial fades to black)

This coming summer will be one of our busiest in many years with Elevate at PLNU, General Assembly in Indianapolis, IN, NYC in Tampa, FL, and Jr./Sr. High Camp at Idyllwild Pines. Whew!! It makes me tired just thinking about it. Please join me in prayer for all the amazing things that God already has planned. Also, pray for our

NYI leaders and volunteers as we help our students navigate through today's world and what being a follower of Christ means.

As I look to this next year of service, I ask that you pray for the possible transition in leadership. Pray for the next group of leaders who will be stepping up to continue the charge of developing young Christian leaders who will not be ashamed of the Gospel of Jesus Christ and who will boldly share the message of salvation with those they come in contact. Pray that our students will be challenged to find a "One"; a person who they are committed to communing and breaking bread with as they earn the right to share Jesus.

It is my belief that we have worked diligently over the past few years together to create a ministry that is both viable and sustainable for the future. We have developed future leaders who continue to be

steadfast in their call to serving Southern California youth and are now stepping up to take the reins and lead us into what is next for our district. I am confident in the direction our district NYI is going and believe it is in good hands. Thank you for the opportunity to continue to serve in this capacity, as I am blessed beyond measure to be able to connect with both leaders and teens alike. May God richly bless all the efforts of Southern California now and in the coming days.

Continuing to work in His service,

Rod Amstutz  
Southern California District, NYI President

## Nazarene Missions International Report 2023

Hello Southern California District Churches of the Nazarene!! Congratulations as you have been moving mountains!! What a joy it is for our entire NMI team to serve the God who moves the mountains together. Let's take a closer look at what we did during the 2022-2023 NMI year.

This year our theme was, "Your Faith Moves Mountains". The theme was designed to energize the local church enough to put action to faith. To be sure, when we let God show us what our faith in Him can do, we begin to act out on that faith more and more. The hope is that our faith and deeds work together to reach the lost for Jesus Christ. This year, we started with our NMI convention on June 2nd at Mission Church of the Nazarene. At the convention, we asked for pledges from you in order to complete three goals. First, we wanted to send a Work and Witness District team under the leadership of Tom Ritchie to Manaus, Brazil on the Hope Boat. Secondly, we wanted to continue the work in Baja under the leadership of Pastor Sergio Hernandez. Finally, we wanted to help local churches in Southern California. Thanks to Emily Holland, your Equipping the Call coordinator, we were able to help 2 churches through family ministry. Also at the convention, we held elections for the NMI council and for the NMI District presidency. So many wonderful things were set in motion after the election that all of you made possible. Let's start with a closer look at your pledges and how we used them.

**Work and Witness** - Under the leadership of Pastor Sergio Hernandez, we began July 8th by building a wall around a church in the beautiful city of San Vicente, Baja, Mexico. We went to help protect the Nazarene church named Shekina located in the center of San Vicente and to encourage the pastor, Jose Luis Ledesma in the ministry. We used your pledge money to complete the wall by purchasing

supplies and then taking a team of 8 from SoCal to build the wall alongside the brothers of the San Vicente Church of the Nazarene.

Praise God, we finished the wall and came in under budget, leaving enough money to schedule another trip into Baja, Mexico. In Tijuana, there is a Nazarene pastor, David Rojas and a Nazarene church that never stops helping those in need and reaching out to the community. When Pastor Sergio learned about a great outreach Pastor Rojas was doing in Tijuana, he asked SoCal to collect Backpacks and School Pal Paks in order to help the Iglesia del Nazareno Adonai reach the children of Tijuana. Through your generous compassion, and the help of Escondido Church of the Nazarene, El Centro Church of the

Nazarene, Apple Valley Church of the Nazarene, Menifee Church of the Nazarene, Gateway Church of the Nazarene, Wildomar Church of the Nazarene and Riverside Arlington Church of the Nazarene, Bloomington Church of the Nazarene, The Retreat Church and San Bernardino 1st Church of the Nazarene, and Hesperia Church of the Nazarene, we were able to take over 200 backpacks full of school supplies to Tijuana to help the Nazarene church reach the community in Tijuana. Praise God! Many children and whole families showed up to hear about Jesus. Every single family was given school supplies and a whole bunch of Southern California love.

Then, we began to hear about some local Work and Witness needs right here in Southern California. San Bernardino 1st church needed some repairs and some clean up in order to use their closet to help the homeless. So, Emily Holland used pledge dollars to help make it happen. We planned a Family Mission weekend on September 16th-17th. Families were invited to Bloomington Church of the Nazarene to learn about missions on the 16th and then to serve in mission at San Bernardino 1st Church of the Nazarene on the 17th. What a wonderful day of gathering together to help other local churches in mission. We were able to install new sinks and clean up the grounds of the church as well as organizing and cleaning the clothing closet for the homeless.

Then we took a team down to the border of Mexicali from October 21st-22nd. In fact, there were two objectives for the pledge money. One objective was to make the parsonage ready for a new pastor at Holtville Church of the Nazarene. Another objective was to make repairs to the

foundation of the Igreja del Nazareno, Una voz que clama en el Desierto. Pastor Sergio Estrada worked alongside our team to help renew the foundation. In short, we were able to split the team into two groups and use the pledge money in two places at once.

Then we went global under the leadership of Tom Ritchie, your Work and Witness coordinator for Southern California. We used the rest of the pledge money to take a team to Manaus, Brazil where we embarked on a journey down the Amazon river to encourage and to help Nazarene pastors that serve in the interior of the Amazon jungle. Using your pledge money, we were able to paint the Nazarene center in Parantins and then

help the Satare tribe plant a new church in the Amazon.

As we know, there are 5 main areas of NMI, Prayer, Equipping the Call, Care and Connect (LINKS), Alabaster and WEF. We highlight Work and Witness because it truly is all 5 areas of NMI in action.

**Prayer** - During the 2022-2023 NMI year, we had several ways we prayed. We joined the District Newsletter, keeping updates present so that people knew what prayers were needed. Furthermore, we stayed connected through NMI Central, (Prayer Mobilization line) receiving global reports of natural disasters and NCM projects that needed our attention. As well, we stayed connected to our local prayer chains thanks to Joan Read and others that remind us to pray for the NMI team and the projects that God is doing. Finally, we use our NMI Facebook page to keep missionaries in front of our eyes that need our prayers. Thanks to Brenda Ritchie and Sasha Ramirez for keeping the current events posted on social media, inciting our churches to pray for our Nazarene missionaries and the overall work of NMI in the world.

**Equipping the Call** - During the 2022-2023 NMI year, we participated in two events for families to be on missions together. Emily Holland, our Equipping the Call coordinator organized a family mission weekend September 16th-17th where we learned about the work of the Church of the Nazarene in Malawi through our Global missionaries, the Millers. After spending the evening together at the Bridge church, we worked with families the following day at San Bernardino 1st church to clean up the church, make needed fixes and organize a clothing closet for the homeless outreach. Thank you Pastor Jorge Murgia for the opportunity to serve. We knew we wanted to get together again in the spring. So, Emily organized another outreach for families at Living water Church of the Nazarene where over 50 from our

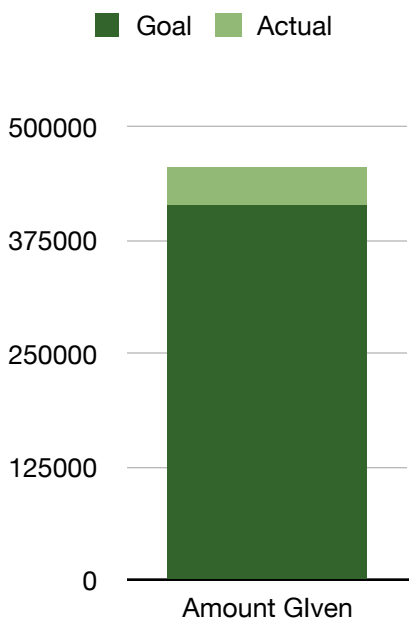

district showed up to serve. Praise God! We were able to fellowship over pizza and work together on a mission to help a church that is reaching so many homeless downtown San Diego. Thank you Pastor Chris for letting us come lend a helping hand. Also thank you to Vista Hope, Gateway, Mission, Escondido, Carlsbad, Menifee and Ebenezer Church of the Nazarene. Great Job Pastor Emily!

**Alabaster** - For the ministry of Alabaster, we sent out Alabaster boxes to local churches and promoted the offering on social media. Anytime you need assistance with your Alabaster giving, simply contact Alabaster man at [socalalabasterman@gmail.com](mailto:socalalabasterman@gmail.com) There is no offering too small when every penny counts. So, give Alabaster man your totals no matter how big or small they are so that we can celebrate with you that you marched for Alabaster. Another way we reminded the district to give to the Alabaster offering was by sending Alabaster man to local events to remind the churches to march for Alabaster. Many gave to the ministry of Alabaster through the Vacation Bible School ministry project as well. Overall, Alabaster is an offering we expect to increase more and more across our district as we continue to make children and families a bigger emphasis in NMI. Awards for Alabaster giving will be given out as well at the 2023 NMI convention on June 2nd for the highest offering given and the overall highest impact a church made through Alabaster. Congratulations Southern California, this year you raised **\$32,226.82**. Way to go! Now, we can celebrate when the churches around the world are able to be built through pennies, nickels and dimes. Praise God!!

**Care and Connect** - For the ministry of Care and Connect, (LINKS) we were assigned the blessing of connecting and caring for Julie McKeithen of Jalisco, Mexico. Julie is a wonderful Nazarene missionary who works constantly to help the Church of the Nazarene in Jalisco. Julie posts all the ministry updates for our district on Instagram and on Facebook. In turn, Sasha Ramirez will post new events and stories about Julie on our District website. Recently, Julie McKeithen is now engaged to be married. In fact, our district will be able to contribute to Julie a Wedding gift this summer. Look for details on the district

website for ways to give to Julie's wedding. Thanks Julie for keeping us so well connected to what is happening with the church of the Nazarene in Mexico. As well, Joan Read helps us remember to pray for all of the newest needs Julie has as she serves as a missionary in Jalisco. Thanks Joan!

**World Evangelism Fund** - We are so excited to report that you did it again in Southern California! You have moved mountains with your WEF giving. We went over our goal by 6.04 %, making us a District that will be awarded as a Church of Excellence once again. Faith Fest was an event designed to remind all of you that you are appreciated. Yes, we appreciate every dollar you gave and every word you spoke to your local church about the great commission and how to advance it through Faith Promise giving. Thank you!! We hosted a Luau to celebrate your awesome giving and remind you to keep the WEF party going strong. God is on the move and God is moving mountains by our faith.

Thank you from NMI for giving to the World Evangelism Fund. Because you gave, the unreached are being reached, and the lost are being found in Jesus Christ. In truth, without the presence of the Nazarene missionaries in our local churches telling the story of what WEF does, we might not remember to give in Faith Promise. So, we have committed to having Nazarene Missionaries booked throughout the entire year in our district. In review, we had Jay and Teanna Sunberg come out to the June convention in 2022 and then booked Carol Skinner for the Nazarene Kid's camp in July! Following camp, we booked John and Vicky Moore to come speak in San Bernardino and the High Desert. After shaking up VBS at Apple Valley Church of the Nazarene, the Moore's spoke at Menifee Church of the Nazarene and then went on to speak at Hesperia Church of the Nazarene where Brian Graley hosted a zone event featuring John Moore. Thank you Pastor Graley!! Way to go Hesperia!! Next, we booked David and Sylvia Potter for the Faith Fest in

October and then sent them on a wonderful tour around our district, including a speaking event at PLNU with the Nursing classes. Praise God! Next, we had both Carol Skinner and John Moore return to handle 2 Faith Promise conventions for us. What a joy to be blessed with such great speakers at our fingertips! Finally, we have Carol and Lucas Neves returning to us in May to speak to the local churches right before the NMI 2023 convention. That's 6 speakers that came to have fun with us and to inspire us during the 2022-2023 NMI year. Praise God!

**NCM** - Steve Gilbert our NCM coordinator is always ready to share with us about the needs around the world and how we can make a difference. Look for Steve at our NMI events where he can show you how to sponsor a child, make a crisis care kit or bring to your attention the latest NCM projects that you can bring to your local church. An ever present blessing to us are the ways NCM helps us to help the world. We have given School Pal Paks and Crisis Care Kits again this year to meet and handle every crisis. From the Earthquake in Turkey and Syria to the natural disasters across Mississippi, we have been given ways to give to every need. As well, we ran a Christmas project where we promoted Angel tree

and Child Sponsorship side by side. Many new children were sponsored. As a result, children are safe, being fed, educated and ministered to by our Nazarene Missionaries through Child development centers. We will be running another Child Sponsorship campaign this December. Every orphan in Africa, Turkey and Syria has a chance to meet Jesus when you participate in Child sponsorship. Remember that whatever you do for the least of these, the Bible tells us that we have done these acts of compassion to Jesus. Visit the NCM website to sponsor a child today. \$30.00 a month will start you on a journey that will change your life and the life of a child forever. <https://ncm.org/sponsor-a-child> don't wait, sponsor now!

**Conclusion** - Whether you are partnering with God in Faith to move mountains or serving Him with beautiful hands and feet, NMI is all about making an impact on a dark and dying world. We thank you for working to keep the Great Commission before your congregations and for giving so faithfully. This year we will attempt to ignite a spark in every local Nazarene church that will serve to remind us all that we were born to shine God's light like stars in the universe! So, whatever you do, may your goal be that others see the light of Jesus in you, through your actions and through your love. So go Southern California and Shine Like Stars, burn brightly that the world may know Jesus Lives!! We look forward to serving Southern California again and commit to you to bring Missionaries to our district and to make serving in mission possible for everyone. Thank you for the privilege of serving God with you.

Respectfully submitted,

Jen Williams  
Southern California District, NMI President

## **Properties Board Report 2023**

We, the District Church Properties Board, submit the following report:

The District Board of Church Properties exists to give advice and direction to the local church relative to the purchase, sale, leasing, and property management of real estate, or the building of churches and parsonages. The policy of this board is to evaluate each local situation so as to be able to determine the need and the financial ability of the church involved.

Building plans, financial plans, and/or leases, are carefully considered. It is board policy to limit total indebtedness of a church to three times its annual income. In cases where the church is unable to meet its District, Educational, and World Evangelism allocations, it is assumed that the church would be unable to finance a building program, or service a larger debt.

The board has carefully considered all matters that have come to it during the year and has acted in each case in line with its stated policy under the direction of Dr. Tom Taylor, District Superintendent.

We have given guidance and direction to the following churches and ministries in the past church year:

- Banning Lease 7/5/22
- San Bernardino Bilingual Lease with Rio de Via 8/22/22
- Parkway Hills Purchase and Sale Agreement 9/23/22
- San Diego Mission calls with Attorney and Appraiser and meeting with City of San Diego regarding the purchase of a utility easement 9/20/22
- Lakeside Cell Tower 11 /3/22
- Spring Valley Lease with SD County (Safe Parking) 11/2/22
- San Diego 1st Cell Contract Sale 12/16/22
- Spring Valley Lease with Summit Church 2/11 /23
- Arlington Avenue worked with Kidder Matthews for Lease Amendments 3/15/23

Respectfully Submitted,

Janet M. Parks, Chairperson

## **Finance and Pastoral Care Committee Report 2022**

Because of the transition of the District Treasurer, the Finance and Pastoral Care Committee has not been able to complete the committee's work. They will meet at a later date to review the budget and reports. This will take place before the District Journal is submitted for publication.

The District Finance and Pastoral Care Committee is charged with the general oversight of the financial policies of the district, with special emphasis on the budgeting process, and with providing guidelines and recommendations regarding pastoral care and compensation. The guidelines by which we operate have been established by the District Assembly. We recommend that this Finance and Pastoral Care Committee report, as adopted by the District Assembly, be reviewed by each local church board at the first regular board meeting following the District Assembly.

Purpose:

1. To give direction to financial policies of the Southern California District in order to best fulfill the stated purpose of the district as it applies to financial matters.
2. To offer financial guidance to the district auxiliaries and local churches as delineated in the Bible.

Responsibilities:

1. To monitor and advise in the preparation of all operating budgets on the district.
2. To determine the formula for the budget base for all budgets.
3. To receive and provide study for annual audited reports from the district treasurer and all district auxiliaries (NMI, NYI, SDMI, etc.) and any others that receive funds from the district budget and/or local churches.

## Recommendations for Fiscal Year 2022-2023

### I. Concerning the Allocation of Budgets

We recognize the principle of shared ministry through denominational budgets, making it possible to more effectively promote the gospel of full salvation around the world. Accordingly we recommend that the following principles be the basis for the allocation of budgets:

1. To provide channels through which every church participates in the Great Commission through giving to denominational budgets.
2. A church's allocated budgets should be proportionate to its financial strength.
3. To encourage newer and growing churches in their participation as this will develop strong financial and store-house giving traditions in these churches.
4. To recognize the family-hood of churches on the district by providing help in times of special need to those churches struggling.
5. To recognize our responsibility in giving to others by accepting our fair share in denominational budgets.
6. To conduct a periodic review of the budgeting process in applying the above principles.

In accordance with the recommendations adopted by the General Board, we recommend:

1. That the base for calculation of all budgets be amount raised for all purposes, for which a tax deductible receipt is allowed, minus money sent for the World Evangelism Fund and approved 10% specials.
2. That the following percentage of the budget base be used in calculating the respective budgets for all churches on the Southern California District:

District Unified Budget 5.0%

World Evangelism Fund 5.5%

P & B 2.25%

Education (PLNU) 2.25%\*

\* This percentage was established by the General Board.

3. That all churches pay their District Unified Budget as soon as possible each year and use the "Funding the Mission" website as the sole method for submitting their budget payments. ALL CHURCHES SHOULD USE the "Funding the Mission" website at [www.fundingthemission.org](http://www.fundingthemission.org) to complete this process. This website provides reporting that enables informed decision making in all areas of district operations.

## **II. Concerning the District Unified Budget**

We recommend:

1. The Proposed District Budget
2. That the District Unified Budget be allocated as follows:
  - District Operation \$315,400.00
  - Home Mission Fund \$10,000.00
  - NMI Ministries \$10,000.00
  - NYI Ministries \$9,225.00
  - SS Ministries \$4,300.00
  - General Assembly Reserves \$9,000.00

## **III. Concerning the Local Churches**

We recommend:

1. Denominational budgets paid monthly with District Unified budgets paid off as soon as possible each year.
2. World Evangelism Fund budget be funded through Faith Promise giving.
3. World Evangelism Fund and Pensions and Benefits Budget be sent directly to Global Treasury Services, through the electronic fund transfer at [www.fundingthemission.org](http://www.fundingthemission.org).
4. The District and Education Allocation be paid through the electronic fund transfer at [www.fundingthemission.org](http://www.fundingthemission.org).
5. Local churches should not consider acceptable the practice of accumulating budget monies toward the making of lump sum payments at the end of the year.
6. Local churches encourage 10% special giving for World Missions.
7. We encourage churches to utilize the Church of the Nazarene Foundation (Global Headquarters) to facilitate planned and deferred gifts from their members to any Nazarene ministry, including gifts to the local church, and to use the Foundation to manage investment accounts, endowments, or charitable trusts ([www.NazareneFoundation.org](http://www.NazareneFoundation.org) or call 866-273-2549). As an alternative, churches could also utilize the resource of Point Loma Nazarene University's Planned Giving Department ([www.pointloma.edu/plannedgiving](http://www.pointloma.edu/plannedgiving) or call 619-849-2302).
8. That no church may lease out any of its facilities without written approval of the District Properties Board, District Advisory Board and the District Superintendent. After approval a church may pay expenses directly related to the cost of leasing the facilities out of the money received.
9. That each church provide a Tax Sheltered Annuity for their pastor, which is at least 10% of the combined amount given for salary and housing.

## **IV. Concerning the Departments**

We recommend:

That each auxiliary department (NMI, NYI, SDMI, camps and retreats) prepares and submits to the District Finance Committee Chairperson by January 31st each year, a proposed budget for the following fiscal year. These will be incorporated into the overall District budget for approval by the DAB in the early March meeting.

## **V. Concerning Point Loma Nazarene University**

We recommend:

1. That local churches find a variety of ways to support Point Loma Nazarene University through the sending our young people, prayer and paying the District Unified Budget, a portion of which goes to support the University.
2. That the District continue to give full support to the PLNU grant-in-aid program for Nazarene young people from our district as follows:
  - General Grant - That an amount of \$2,600 shall be allocated from the District Educational Budget for each eligible, full-time, undergraduate Nazarene student attending PLNU.
  - Matching Grant - That we encourage our local churches to participate in the PLNU Matching Grant program, in which the church contributes up to a maximum of \$250 per student per year, and the university, in turn, matches the amount, for a total of \$500.

## **VI. Concerning Pastoral Care and Compensation**

Below are the items we recommend a church should provide when considering salary packages for pastors and associates:

1. Annual salary review considering cost-of-living and merit increases.
2. Provide full housing reimbursement including utilities, or a parsonage.
3. Reimburse social security costs (including Medicare).
4. Reimburse ministry-related automobile expenses and depreciation.
5. Provide health insurance, medical/dental reimbursement and deductible expenses.
6. File paperwork for P&B benefits.
7. Provide a TSA (tax sheltered annuity) equal to 10% of salary and housing.
8. Opportunities for continuing education.
9. Reimburse ministerial expenses.
10. Two weeks paid vacation (increasing at the five and fifteen year mark).
11. Provide a sabbatical every seven years (minimum 7 consecutive weeks).
12. Provide for disability income and/or disability income insurance.
13. Each church needs to develop a set policy on sick leave for pastors if long-term disability occurs. Disability income insurance also is a protection for the church.
14. Provide life insurance (\$50,000).

Respectfully submitted,

David Frisbie, District Treasurer
